Jagger the Bobcat

Print Jagger Paper Figure on regular paper or cardstock and cut out all of the pieces. Do not cut along the dashed lines -- this is where you will fold the paper.

With the design facing you, make all of the vertical folds in the animal away from you. Close the box by gluing tab A to the inside of the design.

Fold the bottom paws outward and his tail up.

Fold the top of the body like a box and tuck tab B inside.

Fold and glue Jaggar's heads so the design is two-sided. Make sure the pieces are lined up evenly before the glue dries. Insert the neck into the top of the body where you folded the top closed.
